WELCOME TO BAYVIEW

Abbotsford Bayview is a purpose-built care home in Methil, designed on one level with small, intimate units for 12 residents. The smaller setting creates a friendly, homely environment where residents can enjoy the feeling of an extended family. Our residents are encouraged to make choices about their everyday lives and enjoy positive social connections with those around them. Our outdoor spaces provide opportunities to get involved and enjoy the outdoors. We also have strong links with the local community, including nearby nurseries and schools, helping to create opportunities for residents to connect with people of all ages.
