Respite Care. Residential Care. Nursing Care. Learning Difficulties. Dementia Care. End-of-Life Care.

WELCOME TO CHAMBERS COURT

Abbotsford Chambers Court comprises three purpose-built homes, developed in 1999, providing care and support for up to 48 adults. We support people living with dementia, physical disabilities and sensory impairments, as well as adults with learning disabilities and behaviours that require additional support. Our experienced and well-trained team provides personalised care and support tailored to each resident's individual needs. Staff receive a wide range of specialist training, including dementia awareness, learning disability awareness, epilepsy and CALM, helping them provide safe, compassionate and responsive care.
